We can help you to achieve this time saving. We can show you how to save nearly a minute in the typing of every letter of average length.

We can show you how to multiply these saved minutes in every day's work. We can show you how to expand the saved minutes into hours, days and weeks.

Our latest improvement will do it. It is a correspondence machine with an automatic indenting mechanism and its name is the

Self-Starting Remington

The Self-Starter is a Remington feature exclusively. Nothing else like it. Adds nothing to the cost of the machine. A demonstration is yours for the asking.

REMINGTON TYPEWRITER COMPANY, Incorporated TULSA, OKLAHOMA 217 SOUTH BOSTON,

A famous trademark—that grand old Bull

VOU know him well. For over half a century I he has been an American institution. How perfectly he typifies genuine "Bull" Durham tobacco!

Sure of himself, sure of the affection of millions, "Bull" stands as a challenge. He represents quality — bigness — in production and popularity. (Last year over 3 00,000,000 bags!)

From every bag of genuine "Bull" Durham you can roll 50 cigarettes that machines can't even duplicate. And that's an asset-these days! Fifty-thrifty cigarettes that cost you least; cigarettes that please you most.

It's like sugar in your coffee. CENUINE
